Cobre os tracejados.

Tracing practice section with eight rows. Each row consists of two horizontal lines forming a track. On the left side of each track is a cartoon character (alternating between a girl and a boy) holding a string that starts a dashed line. On the right side is a balloon with a string. The dashed lines form various patterns: 1. A series of connected arches. 2. A series of connected loops. 3. A series of connected inverted arches. 4. A series of connected arches with a diagonal line crossing through them. 5. A series of connected arches with a vertical line crossing through them. 6. A series of connected arches with a diagonal line crossing through them. 7. A series of connected arches with a vertical line crossing through them. 8. A series of connected arches.
