Foster Search!

There are a record number of dogs and cats being dumped and abandoned, and rescues need fosters to be able to help them. Josie's Misfit Ranch is a 501c3 non-profit animal rescue serving Kittitas County. They are looking for fosters to help save these animals from euthanasia or a life on the street. They will pay for everything – vet visits, supplies and food. All you have to do is provide the time and love. They also have trainers, including me, and an online learning platform to help you navigate how to best help your foster and also grow your dog knowledge. They will support you all through the process with your own foster manager who will be your single source of contact for everything you need. It's the easiest way to help animals!

Product Recommendation

Wondercide Flea & Tick Spray

This brand carries a wide variety of flea & tick preventative products, both for applying directly to your pet, but also for your yard and home. Personally, I have used the flea & tick spray that is directly applied to your pet. All of their products are plant-powered and used for killing, repelling, and preventing fleas, ticks, and mosquitoes from your pet. Replacing conventional flea & tick prevention with these more natural products is great for a variety of reasons, including the variety of fresh scents that are added using different natural essential oils. For the pet sprays, it comes in the scents Rosemary, Cedarwood, Lemongrass, & Peppermint. They are safe for dogs and cats as well. I definitely recommend checking out this brand if you're in the market for natural flea and tick products!

Featured Pets Looking for

Fur-ever Homes!

Ada

My name is Ada, I am a 6 month old red coonhound. I currently weigh about 45 lbs, so I will likely be a pretty big girl when I'm all grown up. I love people and other dogs although my foster mom keeps telling me 'I'm a bit much' for some friends. My favorite activities are bird watching, trail walks, zoomies with my puppy friends and playing ball. I am very food motivated. True to my hound breed I have endless energy and like to make my strong opinions known by howling on occasion. I am very smart, I already know my name, how to come when i'm called, sit, kennel trained and I am fully potty trained. I am looking for a human who will be able to keep up with my energy to keep me from finding trouble. I will also need ongoing training and socialization to help me grow up to keep up with my energy to keep me from finding trouble. I will also need ongoing training and socialization to help me grow up to be a wonderful companion. My ideal home will have no kids under 10 years old, no small animals (cats, etc.) and a fenced yard.

Davis

Davis is a 7 year old German shepherd. He loves people, fetch, and snacks. He is an incredibly sweet boy, who is working on getting healthy and ready to find his very own forever person. Davis is from Yakima, where he was found

from Yakima, where he was found abandoned. However, it seems as though he definitely had an owner at some point because he knows how to fetch, sit, come, and is fully potty trained and crate trained. He loves all people, and will make an amazing companion.
