## Business Recommendation

Roslyn Whole Pet

Roslyn's Whole Pet shop is a perfect option for anyone who is hoping to shop locally in order to support our local community! They have essentially everything you could need for your canine or feline friends. Including food, treats, toys, leashes, collars, and grooming supplies, and even more. They even carry a full assortment of pet garments ranging from sweaters to socks! I personally try to buy all of my dog food there because they have a great variety of food that I actually trust and am willing to feed my beloved pup. If you have any furry friends you want to spoil this year, Roslyn Whole Pet is a great place to start.

## Featured Pets Looking for Fur-ever Homes!

### Ada

My name is Ada, I am a 1 Year old red coonhound. I currently weigh about 50 lbs, and I am pretty close to full grown. I love people and other dogs although my foster mom keeps telling me 'I'm a bit much' for some friends. My favorite activities are bird watching, trail walks, zoomies with my puppy friends and playing ball. I am very food motivated. True to my hound breed I have endless energy and like to make my strong opinions known by howling on occasion. I am very smart, I already know my name, how to come when I'm called, sit, kennel trained and I am fully potty trained. I am looking for a human who will be able to keep up with my energy to keep me from finding trouble. I will also need ongoing training and socialization to help me

grow up to be a wonderful companion. My ideal home will have no kids under 10 years old, no small animals (cats, etc.) and a fenced yard.

If you are interested in adopting Ada, or want to check out other adoptable pets, visit this website: <https://www.arrfanimalrescue.org/adopt.html>

## Teague

Teague is a 2 year old tabby cat that loves snuggles, playing with feather cat toys, food (he will over eat, so has to be limited to 1 breakfast and 1 dinner), scratch posts (hasn't scratched anything else), and chatting with my human friends! He is also very reliable with using his litter box. He hasn't had any experience with dogs, but it is suspected he'd do well with a slow introduction. If you are looking for a loving snuggle buddy, Teague is it!
