Snuffle Mat - Amazon

Snuffle Mats are a great canine enrichment activity for any pup! They are also a great option for slowing down a dog that might be known for scarfing their food a bit too fast! This one costs \$16.99 on Amazon, but there is always the option to DIY one at home as well!

NutriSource Dog Food

There are a wide variety of options with this brand, so avoiding food sensitivities and rotating proteins is made easier. They also use high quality grains, have added probiotics, and are a relatively high calorie food (more bang for your buck).

NutriSource is a great option for your pet, and it is pretty commonly available. Many feed or pet stores carry this brand, and it can also be found online at websites like Amazon or Chewy. At ~\$75 per 30lb. bag, they are a great price for the quality of food.
