## November Announcements

- **Late Newsletter:** We apologize for the newsletter being late this month! We appreciate all of you and your forgiveness towards this matter. We hope you had a great Halloween!

- **Thanksgiving Leftovers:** As tempting as it may be to share your Thanksgiving scraps with your pet, we strongly advise against it. Not only for preventing tummy aches, but it can be incredibly dangerous. Cooked bones of any kind are prone to splintering and damaging your pets gastro-intestinal tract.

## Food Recommendation

The Honest Kitchen

Honest kitchen is a great choice of dog food for many reasons. It is less processed (no high heat cooking) which makes it more easily digestible. Whole food ingredients are used rather than processed ingredients loaded with chemicals. They are also very allergy friendly with grain free options and a variety of proteins including uncommon ones like duck and fish. In addition, The Honest Kitchen has toppers like goat milk and a variety of bone broths. This makes for an easy way to upgrade your dogs kibble affordably. It is also high calorie, meaning that you end up feeding & buying less, lowering the cost and making it comparable to a lower grade kibble. All in all, this company is very open and honest about their ingredients, sourcing and processing. They have fun treats, great customer service, frequent sales, a generous rewards program, and an easy to navigate website with fast shipping. I highly recommend this company and all of its products.

## Toy Recommendation

Chuckit! Ultra Ball

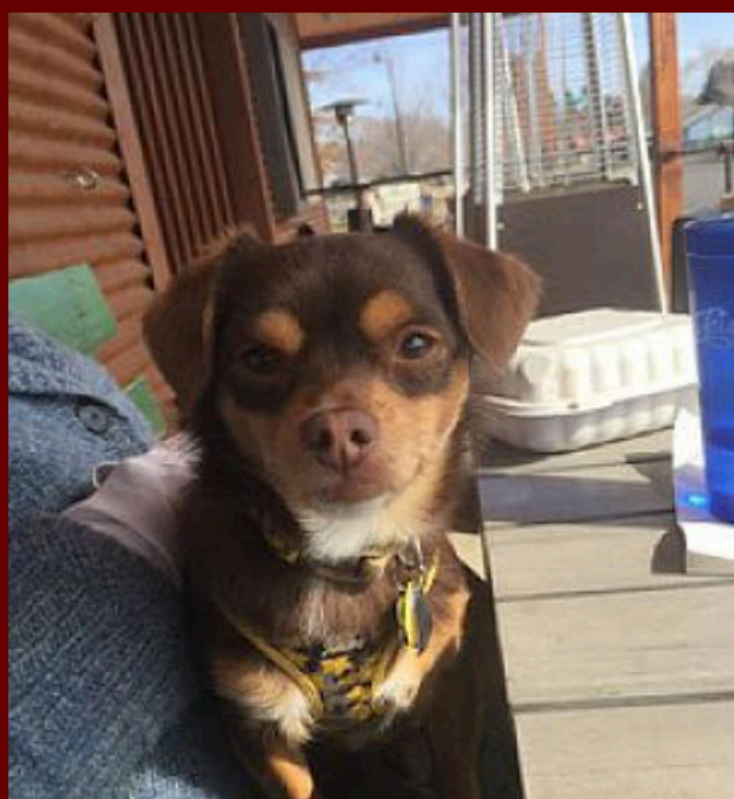

The Chuckit! Ultra Ball is a great, yet simple option. It makes for a great alternative to the classic tennis ball, which tends to wear down or get gross much quicker than these. They come in a variety of sizes as well, so you can choose the best option for your dog. The bouncing feature adds a lot of fun as well as the fact that it floats! A perfect option for ball destroyers and water loving dogs.

## Featured Pets Looking for Fur-ever Homes!

### Piccolo

Piccolo is a 5 year old, 13 lb. terrier/chihuahua mix. He's shy, but friendly once he knows you. He is a quick learner who would do well with a retiree or a calm household with a fenced yard. A dog friend would be a huge bonus for Piccolo as well. Piccolo is fully vaccinated and neutered, but does have a slight heart murmur.

If you are interested in adopting Piccolo, or want to check out other adoptable pets at ARRF, visit this website: <https://www.arrfanimalrescue.org/adopt.html>

## Davis

Davis is a 7 year old German shepherd. He loves people, fetch, and snacks. He is an incredibly sweet boy, who is working on getting healthy and ready to find his very own forever person. Davis is from Yakima, where he was found abandoned. However, it seems as though he definitely had an owner at some point because he knows how to fetch, sit, come, and is fully potty trained and crate trained. He loves all people, and will make an amazing companion.
