God's Vision

Psalm 139, John 1:43-51, 1 Corinthians 6:12-20

God KNEW us and MADE us Just the way He wanted us!

Psalm 139 – My attitude - God made me and He likes what He made!

John 1:43-51 - Jesus' example - Jesus knew what it was like to be judged by something other than the who he really is.

1 Corinthians 6:12-20 - The response - My body is part of Christ, home for the Holy Spirit, and I can glorify Him with it!

For 2018, let's focus a little differently on ourselves. Instead of focusing on what we think we are lacking, let's remember that

- God made me inside and out like he wants me.
- No matter what the world has done to me or how it sees me, God knows the real me that He created.
- Jesus went through struggles of not being seen as God created too.
- I can act, talk, and behave in such a way as to show that I understand and respect what God has created. I can be a good steward of my body.
- I can treat others and respect others differently knowing that God created them just the way he wanted them too!
