## Arkansas Leadslingers

**The Mayor has heard that the Arkansas Leadslingers Gang will be heading to Mudtown on Saturday again this year. All citizens should be on the look out for these pistol packing cowboys. He is pretty sure they are going to try (again) to hold up the noon stagecoach in front of the main stage.**

Any charities, vendors or merchants that want to hire these folks for picture takin', arrestin' and holding for ransom, or any other promotional activity can contact Ozarks Jim at 479-422-8554 for details
