Your pet is special to you, and memories of them are a beautiful thing to keep close to your heart. Your pet deserves care in death just as received in life. We are here to help you with this process, and to help best memorialize your beloved pet. You have many choices regarding the final resting place for your pet. You have several options for burial and if you choose to cremate, you can choose to bury the urn in a family plot or cemetery or keep it in another place of personal significance, such as the home or garden. Finally, subject to some restrictions, cremated remains can be scattered by air, over the ground or over water. Grave markers, monuments and urn vaults are other considerations.

Urns: Begin by choosing an urn for your beloved pet. We offer a wide selection of styles and materials, many of which can be personalized. pages 4-17

Keepsakes: If you plan to bury the urn or scatter the cremains of your pet, a keepsake is a great way to keep a small part of them close to you. pages 5, 6, 9, 10, 18-19

Vaults: Urn Vaults are an excellent way to protect the urn when placed in a cemetery. page 15

Blooming Bio-Urns

Suitable for water burials or "green" burials in the ground. Each urn comes with adornment, biodegradable bag and bio-twine. Blooming Bio-Urns are biodegradable memorial urns that are handcrafted using old-world paper making techniques. Blooming Bio-Urns are created from recycled materials, making them an Earth/Eco friendly "green" product made entirely in the USA. Each urn comes with a blooming expression adornment which can be planted in the garden or special place where it will grow into twelve different types of perennial wildflowers, blooming year after year in remembrance of your pet.
