

Collier County Public Schools
Random Drug Testing Program
Consent to Test Form

I understand fully that my performance as a participant and the reputation of my school are dependant, in part, on my conduct as an individual. I hereby agree to accept and abide the standards, rules, and regulations set forth by the School Board of Collier County, Florida and the sponsors for the activity in which I participate.

I authorize the School Board of Collier County, Florida to conduct a screening of urine, which I will provide on-site to test for drug use, if mine is one of the names selected at random for testing. Pursuant to School Board policy and the procedures outlined for Drug Screening and Testing Students, I also authorize the release of information concerning the results of such tests only to designated school district personnel.

I understand that I may be randomly drug tested for a period of one calendar year from the submission of this form.

Period of Eligibility for Selection: inclusive of the first day of practice in the sport, through the conclusion of the **STATE CHAMPIONSHIP SERIES**, according to the FHSAA calendar, *regardless of whether student's team has been eliminated from competition in the state series.*

If a student refuses to submit to drug-testing when requested, after having submitted a duly executed consent form, the student shall be suspended from all interscholastic athletic activities and/or cheerleading for one (1) calendar year.

If it is determined that a student has deliberately adulterated or contaminated the sample in some manner, attempted to use a masking agent, or attempted to evade submitting to a fair test in any way, the student shall be suspended from all interscholastic athletic activities and/or cheerleading for one (1) calendar year from the date the violation was detected.
