

Ron Byington

Varsity Special Teams Coordinator
Junior Varsity Head Coach

Coach Byington has been a part of the Golden Eagle coaching staff for 17 seasons and serves as the junior varsity head coach and varsity special teams coordinator. Coach Byington has a passion for developing winning and confident attitudes in his players. Building lasting relationships and the development of players, not only for the game of football but also for life, is very important in the role he serves. Prior to coming to Naples High, Coach Byington coached many years in the Pop Warner levels of football, winning several conference and regional championships as well as a national championship.
