

**Parish Survey Response  
Outstanding...  
Thank You St. Ann's Parishioners!**

On behalf of Father Peter, Father Dave and the St. Ann's Futures Team, we'd like to give a warm thanks to the many hundreds of you who helped make our parish survey and focus groups such a great success.

We are pleased and inspired over the richness, the depth and practicality of your suggestions for making St. Ann's an even greater parish than it already is today.

The bottom line --- You've been wonderful!

And now that you've done your part, and we've heard your voices from the survey, we are now ready to enter the final phase of this project.

The next step will be for a group of parishioners along with the staff and clergy to meet shortly to analyze the results of the survey input, determine the areas of improvement needed and develop a long-term plan for the parish.

As soon as the analysis of your survey input is completed, we will present to you the final results, a parish mission statement based on those results, and the goals that will be set for the next three to five years. You'll also have the chance in the future to become involved in some of the areas in which you expressed an interest.

Though the survey results are not fully conclusive yet, one item that stood out head and shoulders above the rest was the overwhelming response from so many of you expressing how thankful and inspired you are by both Fr. Peter and Fr. Dave.

Once again, we thank you very much for your time and your contributions to this important project.

Carrie Robertson  
Chairperson, St. Ann's Futures Committee
