Community Lay Director's Letter

Dear Emmaus Community

As we journey through this Lenten season it is a time that we as Christians use to prepare our hearts for what is to come. I remember back as my wife Debbie and I raised our five children, we raised them in church with good Christian values, but we always got a good laugh when it came time to give up something for the Lenten season as a sacrifice and to acknowledge what GOD had sacrificed for our freedom. They would always come up with silly things such as: onions or coconut or asparagus or a salad! Debbie and I had to explain to them that it needed to be something they would truly miss out on until Easter morning. Like most of us they would do pretty well for awhile and then the pressure would get the best of them and they would fail. We would tell them it's OK just start over fresh and new because right NOW is the time to start anew.

As Easter comes to us anew every year, along with my favorite season (SPRING), I am reminded of how God allows nature to start anew with the blooming flowers, budding trees, and the greening of the grass. As the stone was rolled away on that day many years ago life became new again!

We are able as Christians to confess our sins to our Lord and Savior and to start over fresh and new! I always enjoy the times doing REC'S when we are able to tell the residents that tomorrow is the first day of the rest of their lives and that they can start new right now! That is also so true for all of us also!

I pray for all the Emmaus Community that during this Easter season that you might find something in your life that is not quite right and give it to God and start anew.

Hope to see all of you at the upcoming walk events spreading Gods love to all those around you!!

Love In Christ

Community Lay Director

FROM THE COMMUNITY SPIRITUAL DIRECTOR

Jesus Call us to be Light

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. Matthew 5:14-16

Not only do we need to be light to the people who do not know Christ, we need to be light to the pilgrims on our Spring Walks. Our light can take many forms; working the walks, praying for the walks, serving a meal, sponsoring a pilgrim, attending candle-lights, making agape, and the list goes on. No matter what your role in our Emmaus community, be light to others always and do your part in lighting up these walks!

In Christ's Love,
Mark

Jesus Christ is the same yesterday, today, and forever —Hebrews 13:8

AGAPE LOVE....

There are so many ways in which the community can show their agape love to the pilgrims during walk weekends. One way is to pray ... pray ... and then pray some more. Other ways would be to prepare snack agape (cookies, brownies, dessert bars, salty snacks, cakes, etc.). Pillow and table agape will also be needed (50 pieces for pillow agape and 100 pieces for table agape). Now is the perfect time for preparation of pillow and table agape.

Become A SPONSOR !

Did you know that in order to sponsor someone on the Emmaus Walk you must have attended sponsorship training? This 30 minute training will give you the basics of what you need to know. Trainings are held at various locations by a team of community trainers as well as after each gathering. If you are interested in being trained, please reach out to Josh Suiter at (502) 558-9881 or JoshS@stmatthewschamber.com. You can also watch the Face book page for upcoming trainings.

Questions you may ask yourself when deciding to sponsor:

Whom should I sponsor on a Walk? Since the stated purpose of Emmaus is to bring together those who already are Christians and fortify them for leadership roles in the church, you should sponsor people who are members of a church (any denomination) *and attend regularly*.

What mistakes should I avoid? The Walk is only one way through which the Lord meets people at different states. Communicate that God touches each person in different ways, so don't even hint to your pilgrim that he or she will have a dramatic change after the 72 hours.

Think back to your own Walk. **What do you wish someone had done for you or told you?** Then do that for your pilgrim.

Commit your pilgrim to the Lord, and trust God's team to follow His lead.

What is a Reunion Group? The Emmaus group reunion is a small accountability group of two to 12 persons who have usually participated in the three-day Walk to Emmaus and who want to continue their pursuit of a life lived wholly in the grace of God. These small follow-up groups help pilgrims translate the message conveyed on the Walk to Emmaus weekend into a daily walk with Christ. With the regular support of a few faithful friends, the gift of God's love in Jesus Christ becomes a lifestyle of Christian discipleship through the threefold discipline of piety, study, and action. Group reunions meet at regular times, usually weekly for an hour. The meeting consists of persons' sharing the stories of their walk with Christ during the past week. Members listen to one another, celebrate the grace of God in each person's life, and reinforce each one's core commitment to living in union with Christ in all facets of daily life. Members express that reinforcement through gentle accountability, encouragement, and support of one's stated discipline and plans. *Excerpted from The Group Reunion by Stephen D. Bryant.
