

# Visitor Information

We at Praise Chapel are very glad that you are considering the possibility of visiting us and hope that your time with us will become invaluable to you. Here is what you can expect:

**Nursery-** We have a wonderful staff of people who are here to serve you and provide wonderful care for your baby so that you may enjoy the service without distraction or diversion. Toys and equipment are disinfected on a weekly basis and your children are cared for by people who have a passion for babies.

**Kids-** Children from 4 years old and up gather after family worship where they have age appropriate puppets, crafts, snacks, worship, and learning about God's love and grace for them.

**Congregational Singing-** One of the things that we value and enjoy at Praise Chapel is the opportunity to sing praises through songs that reflect God's goodness and grace in our lives. Feel free to sing along as the words are projected onto the video screen or silently listen and let the words affirm God's love for you.

**Offering Time-** As a guest, feel no obligation to give during this time. Relax and enjoy the freedom of not giving. Giving is something we do every week as followers of Christ. Generous and cheerful giving is a tangible opportunity for us to place even our financial trust in God as we honor Him with our weekly tithe.

**Teaching Team-** Our church is presently structured with two pastors. Pastor Lani takes most of the teaching responsibilities from week to week, but other staff and even our elders will be given opportunities to teach on relevant topics from time to time. We always use biblical references with practical applications that will benefit you in your every day life. Missionaries and an occasional guest speaker spice up our menu!!

**Coffee -** After our service we encourage you to stop by the Fellowship Hall and enjoy a cup of coffee and other yummy snacks prepared lovingly by a volunteer church family member each week. You'll also find a children's table with lots of healthy choices.
