Aloha Friends!

On behalf of the Board of the OLRW, I want to wish everyone a happy and healthy New Year! This is always a hopeful time, as we celebrate the end of one year and the beginning of another. We begin 2025 with the knowledge that brighter days are ahead of us with the new Hawaii state legislative session starting with more Republicans than we have had over 30 years and the upcoming inauguration of President Trump! Although our challenges of the complex times we find ourselves in both domestic and international, I know of us has the courage and determination to rise up and meet them. It is that spirit that has kept the American Dream alive for our 'ohana for generations, and it is that spirit that will keep it alive for generations to come.

I am so excited for what this year holds for all of us!
Happy New Year, everyone!

You're Invited!

Join Us in Building the Future of Republican Leadership in Hawaii!

Running for public office in Hawaii as a Republican is on the of the toughest challenges a candidate can take on. Yet, through strategy, dedication, and grassroots effort, **we've helped elect 9 new Republicans over just two election cycles.**

The path forward is clear: we've identified even more winnable seats for 2026. But to turn these opportunities into victories, we need your support.

Winning Republican campaigns require three key elements:

1. A winnable district
2. A strong candidate
3. A dedicated team and volunteers

Even with these in place, many campaigns fall short because they lack the resources and expertise to build a winning Get Out The Vote (GOTV) program - a program powered by cutting-edge data and technology.

That's where we come in. The funds raised at this event will go directly toward building a comprehensive data program to support our incumbents and emerging candidates, giving them the tools they need to run modern, competitive campaigns.

With your help, we can expand the Republican presence in Hawaii, support bold leaders, and create lasting change.

Be part of the movement. Help us make 2026 a turning point for Hawaii.
