

Scholarships Application Form

APPLICATION PROCESS

We are able to offer a limited number of scholarships. These offerings are intended to support committed students who have a high value for personal growth and healing with the willingness to take personal responsibility for their own health and wellbeing.

Our scholarships make it possible for qualified individuals to attend workshops, retreats or classes.

To be considered for a scholarship at Hawaii Healing Arts Academy, you must submit the scholarship application form at least three weeks before the course. Download this form, and mail the completed form to:

Dr. Alvita Soleil

P.O. Box 491

Hawi, Hawaii, 96719

Upon receiving your completed scholarship application, we will do our best to respond within one week. If a scholarship has been awarded, it will be for the specific retreat requested unless otherwise specified.

Applications will be reviewed in the order they are received. Determination of full or partial scholarship will be based on the application received. You will be notified of your acceptance, and we will then plan for your payment arrangements. (if any) Please note that enrollment is limited - we currently have only 4 spaces available for new participants. Two spaces for full scholarship and 2 spaces for partial (half price) scholarships. We expect them to fill quickly.

This application is the first step toward your participation. We invite you to reflect and authentically respond to each question with care and consideration. We welcome you to contact us with any questions.

Thank you for your interest in learning.
