The ADVANTAGE:

- Meet other MWBE's that have similar experiences
- Develop a relationship with Turner Construction and learn how to do business with a large general contractor
- Develop a relationship with the partners and community presenters of the Turner School
- Enhance your managerial, technical and administrative expertise
- Learn how to make your company more visible to large contractors in order to be more competitive for winning subcontracts
- Graduates gain access to Turner's Online University for additional courses
- Graduates receive a certificate of completion which can be used with prime contractors to verify your qualified subcontractor status

In Partnership with:

City of West Palm Beach

Florida State Minority Supplier Development Council

Miami-Dade College in Partnership with

Palm Beach State College (pending confirmation)

The Turner School of Construction Management is an educational program designed by Turner to assist disadvantaged, veteran, small, minority and women owned businesses in the best principles and practices in the construction industry. Each graduate receives credit for 40 contact hours (4 continuing education units), which can be used towards the renewal of their state contractor's license.

Turner is an equal employment opportunity employer - minorities/females/veterans/individuals with disabilities/sexual orientation/gender identity. VEVRAA Federal Contractor
