

# Veteran's Bridge

*Don't let your veteran  
be forgotten...uphold  
their name forever*

*on Veteran's Bridge at the Riverwalk's Gateway Park*

Pueblo, as the "Home of the Heroes," has the opportunity to recognize veterans with ties to our community. A bridge built to honor our veterans was dedicated at the Riverwalk's Gateway Park on November 11, 2010. Any honorably discharged or active service veteran can be recognized. The listing will include their name, branch and dates of service for a \$150 contribution to the bridge fund.
