

Farmers Market Vendor!

Thank you for your interest in being part of the Riverwalk Farmers Market. The Farmers Market starts on Thursday, June 21, 2018 and will go for 13 weeks until September 13, 2018. The Farmers Market is located on the Riverwalk GOCO path near the Riverwalk Welcome Center (101 S. Union Ave., Pueblo, Colorado 81003).

The market starts weekly at 4:00pm, you may begin set up anytime after 2:00pm. You may not drive onto the Riverwalk GOCO path or block access on either Union Ave. or Victoria Street. The best place to park and unload is behind Old Town Carriage house in the City of Pueblo parking lot. There is an alley way that connects to the GOCO path for ease of loading and unloading.

This year will be first come first serve for spaces. There will be no reserved spaces unless you are one of our three anchor farmer stands. You must have submitted your Certificate of Liability to the HARP Authority prior to farmers market you are attending or have a physical copy with you before setting up.

The following packet must be filled out completely in order to set up each farmers market. You will not need a new packet every week if you are a returning vendor. Please keep in mind if you want a specific spot you must get there at 2:00pm to set up. The summer staff manager will be on site to check you in and confirm the HARP Authority has everything prior to you setting up.

If you have any questions please contact Christine Pittman 719-595-0242 or via email
