Event Set-up 7:00-7:45 | Event Time: 8:00am-11:00am

The Historic Arkansas Riverwalk will be promoting Healthy Living in 2019 by hosting a Healthy Living Market . This Market will be held on Saturday January 5, 2019 from 8:00am-11:00am at Brues Alehouse. The intent of this market is to give individuals and families a chance to visit with the local fitness providers and make the right membership decision based on their needs. This Market will benefit many people including those who may not be as confident to ask the right questions. Our goal at the Riverwalk is to help start and maintain Healthy Living throughout the year in our community.

Please join us in this inaugural event to promote Health and Wellness in our community.
