

Includes Progress Monitoring Table!

A reading program that really works and is easy to use!

Reading and Spelling Pure & Simple provides all of the tools necessary to coach students into becoming successful, lifelong readers and spellers. The key to becoming a reader is learning the 48 sound patterns of the English alphabet. This book teaches these patterns and provides the instructions and practice opportunities to really learn them. This book also builds the essential skills of comprehension and spelling.

The 90 lessons presented here are designed for one-on-one instruction but can be used with small reading groups. Students who struggle in reading due to instructional gaps, guess habits, dyslexia, ADHD, autism, or ESL tend to achieve success with this curriculum. College-bound students can use the program to resolve reading and spelling problems before beginning college classes. The teaching methods are straightforward, systematic, sequential, and research-based. Reading concepts are clearly explained, and teacher preparation is minimal. Any person who is literate can teach or tutor using this book.

"I have been in education for more than 25 years and have worked with numerous struggling readers, using a lot of reading curricula. This reading program is by far the best and simplest of any I have found. Mrs. Cauley explains HOW to teach reading, then sets out carefully crafted lessons that really work! Her teaching tips and insights have made me a much more effective teacher." — Deehona Minton, Midland, TX

**"I never knew
learning to read
could be so easy!"**

— 7th Grade Student
Midland, TX

**"Why don't all the other teachers use
these lessons?!"**

— 5th grader whose SRI reading score jumped
921 points after he completed 51 lessons

"It's simple, but it's not dumbed down."

— Adult learner, Big Spring, TX

**"This material would be an excellent
addition to any RTI program."**

— Beth Williamson, Reading Interventionist,
Liberty Hill ISD, TX

DEEDE HINCKLEY CAULEY, M.Ed., LPC, LMFT,
is the founder and president of The Real Reading Company,
Big Spring, Texas. She has been a highly successful reading
instructor for nearly 30 years and teaches reading workshops for
parents, teachers, school districts, and literacy centers.
