

Austin Plus Dancers

January & February

Schedule Change! 7:00 – 9:00 on Thursdays

We will have a guest caller January 11th, Jimmy Johnson!

We are constantly adjusting our program to better serve our purposes.

Those being:

- 1) To become better dancers**
- 2) To advance square dancing in general**
- 3) To have fun**

We will not be having a separate workshop for this two month period.

We will instead be including some focused workshopping during our regular dances.

We will again be offering package pricing, some do it for the savings, some for the convenience, others just to support the club. We always appreciate the peace of mind it gives us knowing that we can pay the rent. Thank you.

Door Price	\$8
Package Price *	\$50

***We accept cash, checks and credit cards.**
