1. Thank teachers in your life

Whether it is a teacher who taught you to believe in yourself, a teacher who went the extra mile for your kids or a family friend who's a teacher, show your appreciation by sending a heartfelt thank you note on ThankAmericasTeachers.com.

2. Teachers submit a proposal

Throughout the year, teachers will have three opportunities to submit a proposal to replace a \$2,500 grant. In addition, five visionary teachers will each receive a \$100,000 educational grant in December through the Dream Big Teacher Challenge. Teachers, get started by submitting your proposal at ThankAmericasTeachers.com.

3. Vote

Don't forget to vote daily for teachers' proposals to bring part of \$1 million to a teacher in your life. You can vote for as many teachers as you want on a daily basis during the voting period. Encourage family and friends to do the same through ThankAmericasTeachers.com. All of us can think of a teacher who made a difference in our lives; now help make a difference!
