Call for Student Poster Abstracts

Hosted by the Tampa Bay Chapter
September 19-20
Embassy Suites Downtown
Tampa, FL

The Tampa Bay Chapter of the Florida Association of Environmental Professionals is honored to host the 2019 Annual Conference and Symposium in Tampa. The conference will include keynote speakers, technical sessions, networking opportunities, training classes, updates on regulations and policies and field trips. This conference provides an excellent opportunity for professionals and students working in a wide variety of environmental specializations to come together and present recent successful projects, lessons learned, and new techniques and ideas.

Student registration is $50.00 and includes entry to both days of the conference. Posters will be judged and first, second, and third place prizes will be awarded courtesy of TBAEP.

We would love to provide the opportunity to present to your peers on a variety of topics including, but not limited to:

- **Resiliency**: sustainable infrastructure initiatives, adaptation and mitigation methods, floodplain management planning, extreme weather event response
- **Transportation**: agency coordination and policy updates, innovative design techniques, NEPA regulations, port operation
- **Assessment and Remediation**: innovative site assessment and cleanup strategies, PRP case studies, program updates, emergency response and clean up strategies, applications of in-situ assessment and remedial strategies
- **Ecosystem Management**: wetland assessment and mitigation, regulatory updates, wildlife conservation, restoration projects, water quality monitoring and evaluation

Instructions for submitting student poster abstracts:
