

# Supporting Children with Sensory Processing Difficulties

## 2 day course for parents and educational professionals

### Objectives

- How sensory processing impacts on function/participation in the school day
- Guidelines to identify to children with poor sensory processing
- Practical activities and strategies to support children with sensory processing difficulties

### Two-Day course

delivered by Paediatric Occupational Therapist **Alison Cairns, BSc, DipCOT** for any practitioners working in Early Years, and /or Year R.

### Day 1

- Sensory processing and motor development
- Sensory processing and perceptual development
- Practical strategies for the classroom

### Day 2

- Sensory processing and behaviour
- Sensory processing and attention
- Practical strategies for the classroom

Light lunch and refreshments will be provided.

This course will be recognised by UCAS as a good use of Pupil Premium Funding.

### Participant's comments –

'Found course extremely fascinating and can't wait to feed back to colleagues. It would be useful if all my staff could have this training.'  
(June 2017)
