

1 day workshop

gross motor skills difficulties

National Teaching School
designated by

National College for
Teaching & Leadership

1 day workshop using an occupational therapy approach to guide education professionals in the support of children aged 2-7 years with gross motor skills.

Objectives

- To understand gross motor skills development
- To understand the link between sensory processing and motor skills
- Guidelines for identifying children with gross motor skills difficulties
- Practical activities and strategies to support children with gross motor skills difficulties
- To be able to plan individual or group sessions in your school

Delivered by

Delivered by Paediatric Occupational Therapist **Alison Cairns, BSc, DipCOT**. Alison is a member of the BAOT, CYPF and is a specialist member of the Sensory Integration Network of UK and Ireland. She has been working as a paediatric OT for 20 years and brings a wealth of experience to these informative and practical sessions.
