

1 day course

handwriting

difficulties

National Teaching School
designated by

National College for
Teaching & Leadership

1 day course offering an occupational therapy approach to guide education staff in the support of children aged 4-10 years with handwriting skills.

Objectives

- To understand and identify motor development including grasp patterns.
- To understand sensory processing and perceptual development.
- Guidelines for identifying children with handwriting difficulties.
- Practical activities and strategies to support children with handwriting difficulties.
- To be able to plan individual or group sessions in your school.

Delivered by

Delivered by Paediatric Occupational Therapist **Alison Cairns, BSc, DipCOT**. Alison is a member of the BAOT, CYPF and is a specialist member of the Sensory Integration Network of UK and Ireland. She has been working as a paediatric OT for 20 years and brings a wealth of experience to these informative and practical sessions.

Other information

Light lunch and refreshments will be provided.
