

1/2 day sensory processing

National Teaching School
designated by

National College for
Teaching & Leadership

An inspiring and informative workshop for any practitioner working in Early Years and with children up to age 5 in Key Stage 1

Foundations
Teaching School Alliance

Objectives

- How sensory processing impacts on function/participation in the school day
- Guidelines to identify children with poor sensory processing – is it sensory or behaviour?
- Practical activities and strategies to support children with sensory processing difficulties
- Self-regulation
- Sensory Processing and motor development, perceptual development, behaviour and attention

About the trainer

Alison Cairns is a member of the BAOT, CYPF and is a specialist member of the Sensory Integration Network of UK and Ireland. She has been working as a paediatric OT since 1998 and brings a wealth of experience to these informative and practical sessions.

Other information

Lunch and refreshments will be provided.
This course is recognised as a good use of Pupil Premium Funding.
