#### Job/Person Summary

Can you offer our children and staff enthusiasm, commitment and attention to detail? Can you model resilience and positivity? Are you keen to develop professionally working in a supportive and stimulating environment? We are looking to appoint a committed and enthusiastic LSA to join our team to provide 1 to 1 support for a kind and keen pupil at the school. With the Foundation's Teaching School Alliance, providing Initial Teacher Training with Winchester University, we would welcome applications from recent graduates who are interested in pursuing a future career in teaching as well as those who have an interest in supporting and working with children with special needs.

Our Core Christian Values Love, Respect and Belong are lived in every aspect of the school community so that our pupils have the very best foundation for success at St. Mary's and in their future lives. This is reflected in the outstanding judgement from our SIAMS inspection in October 2016. St Mary's is an exciting school to work at, with highly motivated pupils and staff. We are a fully inclusive school and know that we can help every child to push their potential, develop resilience and enjoy everything life has to offer!

Candidates should have Maths and English qualifications to GCSE Grade C or above or their equivalent. Experience of supporting young children in a school setting would be an advantage but is not essential.
