

The importance of learning through play

FTSA and HCC are working in partnership to deliver this 1 day course to discover the importance of learning through play in Year R.

With a mix of learning and practical activities, this course is aimed at Teaching Assistants who are new to working in the Foundation Stage/Year R.

Objectives

- To understand what 'learning through play' means
- To understand the benefits for the children of learning through play
- Guidelines for what play based learning should look like in the classroom
- To understand how learning through play links to the Foundation Stage curriculum and Early Learning Goals
- To understand and appreciate the role of the TA in facilitating, developing and assessing learning through play

Delivered by

Charlotte Kitley, Specialist Leader of Education, Foundations Teaching School Alliance and Patricia Langley, School Workforce Adviser HCC

Cost

£170 for HTLC subscribers
