

# 1 day workshop

# Motor skills

# difficulties

**1 day workshop using an occupational therapy approach to guide education professionals in the support of children aged 2-7 years with fine and gross motor skills.**

## Objectives

- To understand fine and gross motor skills development
- To understand the link between sensory processing and motor skills
- Guidelines for identifying children with motor skills difficulties
- Practical activities and strategies to support children with motor skills difficulties
- To be able to plan individual or group sessions in your school

## Delivered by

Delivered by Paediatric Occupational Therapist **Alison Cairns, BSc, DipCOT**. Alison is a member of the BAOT, CYPF and is a specialist member of the Sensory Integration Network of UK and Ireland. She has been working as a paediatric OT for 20 years and brings a wealth of experience to these informative and practical sessions.

Light lunch and refreshments will be provided.
