

This training provides all Tacpac users with the understanding and skills necessary for the effective delivery of Tacpac.

It is an essential training for both for experienced practitioners and for complete novices.

We look at the whys and hows of Tacpac, combining theory and practice into a fun, interactive and stimulating day

### **This training enables you to:**

Understand the theory behind Tacpac

Internalise and deliver the Tacpac activities effectively

Experience sensory overload for yourself

We urgently need videos for training and our website. If you are able to video Tacpac sessions, or interviews/discussions about Tacpac, in line with our guidelines, then please contact Susie for more information.

For further information or to book your place on this training contact [susie@tacpac.co.uk](mailto:susie@tacpac.co.uk)

I just wanted to let you know how much I enjoyed the in-service day yesterday with Susie Fuller at St Andrews School in Inverurie. Susie's delivery was engaging and motivating and I was in admiration of the amount of knowledge she had and was able to share with us.

Carol: 15<sup>th</sup> Feb 2018

It was fascinating to learn about the limbic system and how your senses can be affected.

Gail: (Parent) Newcastle.
