

ANNOUNCEMENT SPANISH PROGRAMS FOR SPRING 2020

March 13, 2020

**The Language
& Cultural Club**
Spanish Immersion Program for Children

Parents/Guardians,

With the developments of the past couple weeks, and particularly the past 24 hours, I wanted to reach out to everyone to update you on The Language & Cultural Club's response to the current situation with the Coronavirus.

As a small business and mobile program, our goal is to continue teaching our classes and servicing the community when schools resume activities. We naturally take the safety of our students very seriously and will continue using the Howard County Health Department and HCPSS as our benchmarks.

Meanwhile, **for our current classes in progress**, we would like to push the program back for two weeks. We will be using our make-up dates and will depend on the availability of classrooms to finish the session. Anyone who has previously registered for current sessions will be able to choose a refund for the remaining classes or transferable credit.

For upcoming sessions that have not started yet, we would like to push the program back for two weeks. If schools continue closed after March 30, we would like to cancel the spring session and restart on the fall. In this case, we will issue full refunds to all registrants.

Please be patient as we begin the process to go class by class and school by school.

We will keep you updated as information becomes available to us. Meanwhile, stay safe!

Thank you for being part of our program.

Dolly Bermudez
