

Faithful Stewards Ministries is an outreach ministry with a divine mandate to:

- Provide care and support for needy children and orphans
- Respond to the immediate needs of disaster victims and support for a long time recovery.
- Engage the less privilege youths and adult in empowerment programs.

- Provide rehabilitation program, training and support for the homeless and destitute.

We invite you to join this family of faithful laborers in God's vineyard. We commit to interact with you, sharing our progress and challenges with hope that you will continue supporting us.

It is difficult explaining the deplorable conditions of millions of people all over the world. The most vulnerable are children, widows, orphans, elderlys, and physically challenged.

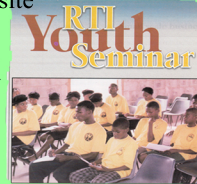

All over, homes and marriages are breaking apart daily. Innocent children are dying every day. Unwanted and unplanned pregnancies are common place. Hunger and starvation are common realities.

At the core of our work are the individual programs that we implement, fund and coordinate. Below are brief descriptions of these programs. Detail information can be found on our website

### Training and Scholarships

We care for the total man-spirit, soul and body. We organize trainings, seminars, and projects. We assess felt needs of communities and assist in providing infrastructure that we can afford. We also train local communities on how to maintain projects at their locations. We encourage expression of local creativity by providing financial support towards commercializing local crafts and increased production of food.

Education is key to power, knowledge and progress. We encourage those we serve to fulfill their God-given potentials. We have established a process by which brilliant, but disadvantaged and poor students will not have to let their dreams die. We provide scholarships to deserving students to college level, and assist in the placement of students at colleges that have low tuition, or with programs that cater for the needy.

### Orphanages

Unwanted and teen pregnancies are on the rise. People involved are hardly prepared to parent the children or take any responsibility. We will not allow children dumping, and neglect. Our ministry runs orphanages where we raise children on Bible principles. In conjunction with social welfare and other relevant government departments, we provide feeding, clothing, housing and mentoring for abandoned children that we take into the orphanages.

### Donations

As a charitable organization, our continued operations are heavily dependent on the donations of our benefactors -- individuals that very well may include you! We very graciously accept all donations; no matter how small or large, every gift goes towards improving the lives of our clients, and enables us to continue our work pursuant to our values.

Please call or visit our website on how you can make a donation into this ministry. Or you may donate via mail (check or money order) or by credit card/e-check via Pay Pal. In the case of checks / money orders, please make your gift payable to Faithful Stewards. Gifts can be mailed to P.O. Box 60470, Washington, DC, 20039.

### Donation of Time

Sometimes the greatest gift you can give is your time. In this light, we joyously welcome volunteer support in a wide range of capacities. Donations may also include cars, boats, toys, clothing, cash and debt free properties
