

# 2015 Highlights

Recycled  
**10 million**  
pounds of  
textiles

Saved **12 billion** gallons of water

Prevented the release of **70 million** pounds of CO<sub>2</sub> into the atmosphere. The equivalent to taking **6,100** cars off the road

Supported the training of  
**118 volunteers** who worked in  
sustainable development projects

Enabled over 160,000 people to  
donate their unwanted textiles  
not only helping us fight climate  
change, but also enabling us to  
continue fighting poverty locally  
and abroad

Impacted more than **202,950** beneficiaries through  
sustainable projects in the areas of Sustainable Agriculture,  
Education, Health and Environment protection

Helped create hun-  
dreds of jobs
