

D.I.Y. MARKETLANDS

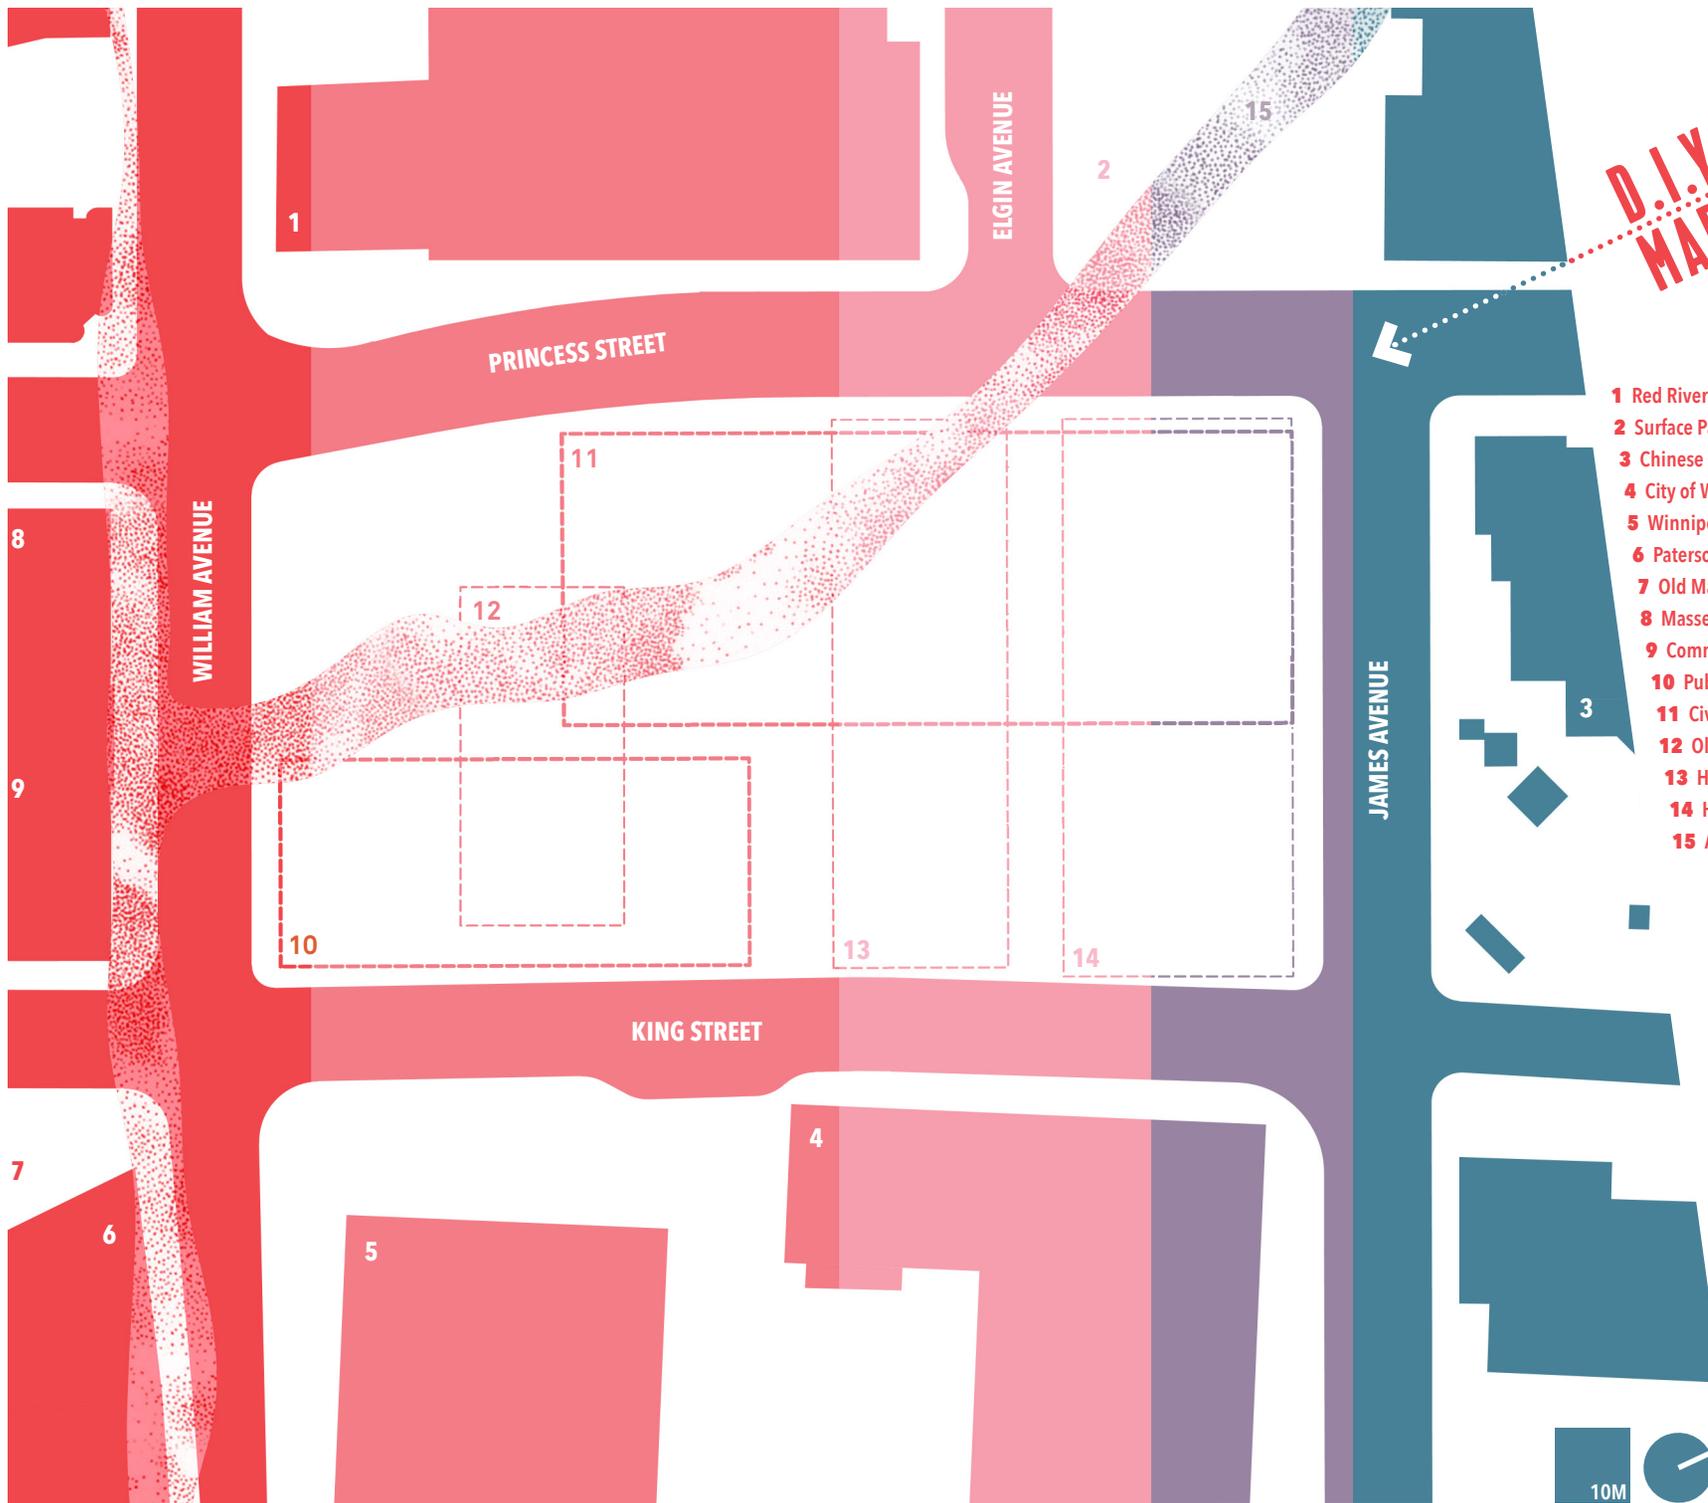

#DIYMARKETLANDS
MARKETLANDS.CA

- 1 Print out base map (Page 2).
- 2 Print out historic, current and contextual building cut-outs (Pages 3+4).
- 3 Cut out the buildings along the solid lines.
- 4 Fold buildings along the dashed lines.
- 5 Glue hatched areas and fasten behind to create building volumes.
- 6 Arrange historic buildings (Old Market Building, Historic Blocks) on the map.
- 7 Remove historic buildings and place current buildings (Public Safety Building, Civic Parkade) on the map.
- 8 Remove all buildings.
- 9 Show us your ideas using whatever materials you prefer or have available.
- 10 Take a photo of your concept and share it with us using #diymarketlands
