PROFESSIONAL ADVISOR

Dudley Thompson Dudley Thompson Consultancy

Dudley is Principle in Dudley Thompson Consultancy – a consulting firm focusing on Sustainable Community, Regenerative Architecture, Advocacy, Stakeholder Engagement and Climate Change Mitigation. He works in Winnipeg for a variety of Corporate and Not-for-Profit clients. He was the founding principal of Prairie Architects Inc. in 1981 and has practiced as an architect in Manitoba since 1976. He holds a Bachelor of Environmental Studies degree from the University of Manitoba and a graduate degree in Architecture from the University of Toronto. He sold Prairie Architects in 2015 to four employees.

Dudley nurtured Prairie as an architectural firm that was committed at its roots to sustainability, stakeholder participation in design and building community. Prairie demonstrated this commitment to Sustainable Buildings with an integrated staff of building scientists and 90% of staff members that are LEED accredited. Prairie certified over 25 LEED buildings under Dudley's leadership including Manitoba's first LEED GOLD Building, Mountain Equipment Co-op, two LEED Platinum projects including Manitoba Hydro Place and Amber Trails School and many LEED GOLD accreditations including Paterson GlobalFoods Institute and Northlands Parkway High School. In his 35 years of practice, Dudley guided Prairie Architects Inc. as an Integrated Design Process Facilitator on numerous projects, in the regeneration of dozens of historic buildings, the renewal of many urban sites, the initiation of many First Nation projects as well as a wide variety of residential, community and educational projects.

Mr. Thompson recently served on the Board of Directors of Manitoba Hydro and as a member of the Industry Advisory Group for the Manitoba Green Building Council. In 2014, he received a Lifetime Achievement Award from Canada Green Building Council, Manitoba Chapter, "For his visionary leadership, and his outstanding personal and professional commitment to advancing sustainable building practices in Manitoba." He also received a Fellowship in the Royal Architectural Institute of Canada in 2016. He lives in Winnipeg with his wife and two sons.

JURORS

Angela Mathieson President & CEO CentreVenture Development Corporation

Angela Mathieson is currently the President and CEO of CentreVenture, the City of Winnipeg's Downtown Development Corporation. Coupling her Bachelor Degree in Interior Design and her Masters Degree in City Planning, with her passion for community, Angela has played a central role in urban development issues in Winnipeg for the last fifteen years. She held the position of Assistant Deputy Minister of Urban Affairs for the Province of Manitoba from 2003 to 2006, responsible for urban revitalization programs and financial support to the City of Winnipeg. Her development of legislative and fiscal policies such as Manitoba's Tax Increment Financing law has enabled demand and supply side incentives for downtown housing, the creation of the SHED, and infrastructure support for the

Convention Centre and CentrePort. In 2006 she was appointed Secretary to Cabinet for Community and Economic Development and senior advisor to Premier Gary Doer, leading on major economic development projects. Prior to joining CentreVenture as CEO in 2015, Angela managed her own successful urban development consulting practice in Winnipeg.

Bruce Kuwabara
Architect and Founding Partner
KPMB Architects Inc.
Toronto

Bruce Kuwabara is an influential practitioner and advocate of architectural excellence with expertise creating and communicating compelling design visions that catalyze stakeholders and the wider community. His unwavering belief in the power of architecture to implement social and civic change and maximize cultural, environmental and economic potential has earned him an Officer of the Order of Canada, the RAIC Gold Medal and the Ontario Association of Architects Lifetime Achievement Award.

Exemplary projects include the LEED Platinum Manitoba Hydro Place in Winnipeg, the Kellogg School of Management at Northwestern University, the Julis Romo Rabinowitz Building and Louis A. Simpson International Building at Princeton University, Canada's National Ballet School, the Canadian Museum of Nature, and the Global Centre for Pluralism in Ottawa. Current work includes the Remai Modern Art Gallery of Saskatchewan and the Ronald O. Perelman Center for Political Science and Economics at the University of Pennsylvania.

Bruce serves as Chair of the Board of Trustees for the Canadian Centre for Architecture in Montreal, is a member of the Design Review Committee for the University of Toronto, and is the former chair of Waterfront Toronto's Design Review Panel. In fall 2016, Bruce was the recipient of an Honorary Doctorate of Laws (honoris causa) degree from McMaster University.

Annitta Stenning
President & CEO
CancerCare Manitoba Foundation

Annitta Stenning, the President & CEO of CancerCare Manitoba Foundation and former Chief Administrative Officer of the City of Winnipeg, has extensive experience in both the private and public sectors. Ms. Stenning was the founding president and chief executive officer of CentreVenture, Winnipeg's downtown development corporation.

Ms. Stenning has shown her talents for building organizational capacity, enhancing customer service, and fostering partnerships in both the public and private sectors.

Her commitment to the community is both professional and personal. An active volunteer, she co-chaired the community campaign for the new Millennium Library, served on the United Way Campaign, Winnipeg Poverty Reduction Council and St. Amant Centre.

She has led the CancerCare Manitoba Foundation since January of 2008.

Architect and Owner
Smoke Architecture Inc.

KaaSheGaaBaaWeak | Eladia Smoke is Anishinaabekwe | Ojibwe from Obishikokaang | Lac Seul First Nation, with family roots in Alderville First Nation, Winnipeg, and Toronto. Eladia has worked in architecture since 2002, and founded Smoke Architecture as principal architect in 2014. She is a Master Lecturer at Laurentian's McEwen School of Architecture. Her career includes principal architect with Architecture 49, Thunder Bay, and architect with Prairie Architects, Winnipeg. Eladia is a founding member of the RAIC Architecture Canada Indigenous Task Force. Eladia is on the Unceded international team representing Canada at the 2018 Venice Biennale.

Eladia served as a committee and council member with Manitoba Association of Architects from 2011-2014. Eladia also served as a board member of Urban Shaman Gallery of Contemporary Aboriginal Art from 2010-2014, and participated in the first all-Aboriginal showcase of architecture there in 2014: Maandaw 'Igaan Mazinibii'igan.

John Kiernan
Director
Planning, Property and Development Department
City of Winnipeg

John Kiernan is the Director of Planning, Property and Development for the City of Winnipeg. He has a passion for the design, development and use of public spaces and leads a team of over 600 department staff. This integrated team provides a wide range of services related to city-building including land planning, civic buildings and the facilitation of private development.

The Planning, Property Development Department is responsible for: city planning; urban design; land development approvals; building permits and inspections; over 475 City-owned buildings (pools, arenas, libraries, and offices); land development including the development of parks, plazas, and streetscapes; and the operation of three municipal cemeteries. John provides advice to the City of Winnipeg's Chief Administrative Office, Mayor and Council.

Zephyra Vun
Executive Director
Design Quarter Winnipeg

Zephyra Vun is the Founder + Owner of anARCHI design, a multi-disciplinary art studio in Winnipeg's Exchange District, participating in architecturally inspired art projects, live art performances, and curator of various public art events and exhibitions. She is also the Executive Director of [Design Quarter Winnipeg](#), an innovative initiative aimed at promoting authentic, local retail and design culture in Winnipeg, by curating a destination experience of our walkable core districts - The Exchange District, The Forks and Downtown.

Vun received her Environmental Design Degree (2009) and Masters of Architecture Degree (2011) from the University of Manitoba. She is an ambassador for accessible art and design and strives to advocate

inclusive public engagement with these creative disciplines. She maintains a strong presence in the fine arts field, exhibiting her work internationally as a member of International Contemporary Artist Curator, while also acting from a more curatorial position promoting local artists and organizing major events for Design Quarter Winnipeg, Winnipeg Design Festival, Nuit Blanche Winnipeg, First Fridays in the Exchange, and the Winnipeg Symphony Orchestra.

Prof. Alan Tate
Head, Department of Landscape Architecture
University of Manitoba

Alan Tate has a Bachelor's degree in Town and Country Planning and an accredited Diploma in Landscape Design from the University of Manchester, England and a PhD in Architecture from Edinburgh College of Art / Heriot Watt University. He has over twenty years professional experience and is a Fellow and Past President of the United Kingdom Landscape Institute and a registered Landscape Architect.

Following five years experience in local government and private practice in Nottingham and London he spent nine years running the Clouston landscape consultancy in Hong Kong, Malaysia, Singapore and Australia before returning to Europe to lead the landscape design team for EuroDisneyland. Tate then spent nine years based in London, running Clifton Design followed by his own private practice before moving to Canada in 1998 to take up a teaching position at the University of Manitoba. He was Head of Department from 2000 to 2005, from 2011 to 2013 and again since 2014.

Professor Alan Tate has been designing, investigating, writing about and lecturing on urban parks since the early 1980s. His book Great City Parks was published in 2001 and a Chinese-language edition in 2006. The Second Edition of Great City Parks was published in March 2015. The book received the Landscape Institute Research + Policy Award for 2015 and a Chinese-language edition is due to be published shortly.
