## A Word from the President of the Council on Senior Services

BY KATHY LEWIS

The Council on Senior Services (COSS) is a community council of professionals who work for and volunteer for agencies and businesses that serve senior citizens. The goal of COSS is to improve access to services for seniors in Allen County. This directory has been developed to educate senior citizens and professionals about the numerous services that exist.

Proceeds from the advertising sales in this directory pay for printing of the book and for grants to organizations that submit projects created for the health, education and/or welfare of seniors in our community. Grants awarded in 2017 included Community Transportation Network, Allen County TRIAD, Volunteer Center, Turnstone Center for Children and Adults, Long Term Care Ombudsman, Hope Alive, Health Visions of Fort Wayne, St. Vincent DePaul, Homebound Meals, McMillen Center, Salem Manor, Cancer Services of Northeast Indiana and Fort Wayne Parks and Recreation Community Center.

The information in this book has been compiled through the efforts of volunteers. The Council on Senior Services (COSS) makes every attempt to ensure that the information is complete and accurate. COSS does not take responsibility for omissions or errors. Listings in this book do not imply endorsement.

### **I'm Peggy Mang, a licensed sales representative in Northern Indiana.**

When it comes to Medicare, one size definitely does not fit all. What works well for your neighbor may not be the best fit for you. And what met your needs last year might not be the best fit this year. Now's the time to explore your choices so you can enroll in a plan with confidence.

I'm here to help. As a licensed sales representative, I know the ins and outs of Medicare. And I know how to make it easier for you to understand, as well.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

# Safe at Home

## THE PROBLEM

Every year emergency personnel respond to hundreds of telephone calls to homes where there is a possible emergency situation, but are unable to gain immediate access. It may be a concerned neighbor or a family member who has a fear for their safety or a 9-1-1 call that is answered, but the caller is unable to speak.

## THE SOLUTION

Registering in the Safe at Home Emergency Registration System will provide important contact information to emergency personnel before an emergency occurs. The information you give is strictly voluntary, confidential and could save your life. Safe at Home information is entered into the computer system shared by police, fire and EMS services throughout Allen County.

## HOW TO ENROLL

Seniors or family members may complete the FREE enrollment form and mail it to the address on the form. You or your family member will receive a postcard confirming enrollment and will receive bi-annual calls to update information. For more information call 260-469-3036 or visit [www.fwpd.org/prevention](http://www.fwpd.org/prevention) or [www.allencountyhealth.com](http://www.allencountyhealth.com)
