

2017 Youth Enrollment Steps

Thank you so much for your interest in Big Brothers Big Sisters! Please read the information below regarding our program and the enrollment process. Call us at 434.244.0882 with any questions.

Our Mission: To provide children facing adversity with strong and enduring, professionally supported 1-to-1 relationships that change their lives for the better, forever.

What is the Madison House Program? Big Brothers Big Sisters of the Central Blue Ridge has partnered with Madison House, an organization that connects college students with volunteer opportunities, to provide college Bigs (“Big Sibs”). Madison House Big Sibs function very similarly as the Bigs in the Community-Based Program with a few differences. They don’t spend time with their Little at home and they typically leave town for a few months for winter and summer breaks. Enrollment period for this program is typically Oct/Nov and April/May.

What is the Community-Based Program? This is the traditional Big Brothers Big Sisters relationship, where Bigs and Littles get together on their own to share in fun activities they both enjoy. Matches typically meet for 2 hours a week. Some Bigs meet their Littles on the weekends. Others get together with their Littles in the evenings. Each match is unique and develops a schedule that works for them. Enrollment for this program is rolling.

What is the Site-Based Program? In this program, your child will still be matched with a Big Brother or Big Sister from the Charlottesville community, but the Big will visit your child at their school or community center once a week for 1 hour. This will take place either during their lunch and recess or after school program over the course of the school year. They can read, play sports, do arts and crafts, play board/computer games, or have lunch together. **Enrollment for this program is currently on hold.**

Enrollment Steps:

- ✓ **Fill out the Youth Application.** Completed applications can be submitted to us via email, fax, mail, dropped off at our office, or returned to your child’s school guidance counselor. **We enroll children ages 6-16.**
- ✓ **Attend Parent Orientation.** Offered monthly, this orientation will give you more information about our program, what we expect of the program participants (parent, child and volunteer), and you will have the chance to meet BBBS Staff.
- ✓ **Parent and Youth complete an in-person interview with BBBS Staff.** This interview is used to gauge the child’s interest in the program, and to learn about their personality in order to make a successful match with a volunteer. Once you’ve attended a Parent Orientation we will call you to set up a good time for you both.
- ✓ **It’s Match Meeting time!** Once you’ve completed all the steps above, we’ll let you know if your child has been accepted into the program. If so, once we’ve selected a Big that meets your child’s needs and interests, we will schedule a time for everyone to meet! Meetings take place at your home for Community-Based matches, and at the school/community center for Site-Based matches.
- ✓ **Match Support.** Once a match has been made, a BBBS Match Support Specialist will check in with you and your child each month to support the match.

What a Big is Not: A Big Brother or Big Sister is not a tutor, professional counselor, or babysitter, and should not be asked to spend money on the Little. **A Big is a Friend!**

Reasons for non-acceptance into the program: The Enrollment Team has the right to deny any applicant acceptance for one of the following reasons, including but not limited to:

- Interest for a Big Brother or Big Sister is not expressed by the child
- Failure to agree to the Parent/Guardian involvement policies with Match Support
- Child is enrolled in a mentoring program/Child is already enrolled in multiple enrichment programs
- Failure to submit necessary paperwork/attend a Parent Orientation
- Child lives/attends school outside of our service area

Confidentiality Policy

In order for BBBS of the Central Blue Ridge, Inc. to provide a responsible and professional service to clients, participants will be asked to divulge extensive personal information about themselves and their families. The agency respects the confidentiality of client and volunteer records, and with the exception of situations listed below, shares information about clients and volunteers only among the agency professional staff. The right to confidentiality applies not only to written records, but also to video, film, pictures or use of client or volunteer's name in agency publications.

All records are considered the property of the agency and not the agency workers, clients or volunteers themselves. In order to provide a service which is in the best interest of the children served by the program, information from outside sources, including confidential references, must be assessed, along with information gained from the clients or volunteers themselves. Records are not available for review by the clients or volunteers and reasons for non-acceptance into the program will not be provided due to confidentiality issues. Clients and volunteers shall be provided a copy of this statement on confidentiality, along with the exceptions which define the limits of confidentiality, at the time of application.

Limits of Confidentiality

1. Information will be released to other individuals or organizations only upon presentation of an authorized "consent to release information" form appropriately signed by the client or volunteer.
2. Identifying information regarding clients and volunteers may be used in agency publications or promotional materials if the client or volunteer has given permission.

These outside organizations shall be required to respect the agency policy on confidentiality. Outside parties shall be required to use information only for the purpose(s) stated in the approval action of the Board of Directors.
4. Known violations of agency confidentiality policy will be reported to the supervisor of the individual involved and appropriate disciplinary action shall be requested.
5. Members of the Board of Directors have access to client files only upon authorization by formal motion of the Board of Directors. The motion shall state who shall be authorized to review records, the specific purpose for such review and the period of time during which access shall be granted. Members shall be required to comply with the agency policies on confidentiality and may use the information only for purposes stated by the approved action of the Board of Directors. Known violations shall be reported to the Board President. A violation of the agency's confidentiality policy by a Board Member shall constitute adequate cause for removal from office.
6. Information shall only be provided to law enforcement officials or the courts pursuant to a valid and enforceable subpoena.
7. Information shall be provided to an agency's legal counsel, Board President, and the agency insurance carrier in the event of litigation or potential litigation involving the agency. Such information is considered privileged information, and its confidentiality is protected by law.
8. State law mandates that suspected child abuse be reported to the appropriate authorities (VA Dept. of Social Services-Child Protective Services Unit). All workers are responsible for staying abreast of such reporting requirements of their respective jurisdiction and shall always comply with mandated procedures.
9. If any agency worker receives information indicating that a client or volunteer may be dangerous to himself or herself or to others, necessary steps may be taken to protect the appropriate party. This may include medical referral or a report to the local law enforcement authorities.
