In order for BBBS of the Central Blue Ridge, Inc. to provide a responsible and professional service to clients, participants will be asked to divulge extensive personal information about themselves and their families. The agency respects the confidentiality of client and volunteer records, and with the exception of situations listed below, shares information about clients and volunteers only among the agency professional staff. The right to confidentiality applies not only to written records, but also to video, film, pictures or use of client or volunteer's name in agency publications.

All records are considered the property of the agency and not the agency workers, clients or volunteers themselves. In order to provide a service which is in the best interest of the children served by the program, information from outside sources, including confidential references, must be assessed, along with information gained from the clients or volunteers themselves. Records are not available for review by the clients or volunteers and reasons for non-acceptance into the program will not be provided due to confidentiality issues. Clients and volunteers shall be provided a copy of this statement on confidentiality, along with the exceptions which define the limits of confidentiality, at the time of application.

Limits of Confidentiality

1. Information will be released to other individuals or organizations only upon presentation of an authorized "consent to release information" form appropriately signed by the client or volunteer.
2. Identifying information regarding clients and volunteers may be used in agency publications or promotional materials if the client or volunteer has given permission.
3. For purposes of program evaluation, audit, or accreditation, and with the prior approval of the Board of Directors, certain outside bodies such as Big Brothers Big Sisters of America may have access to client and volunteer records. These outside organizations shall be required to respect the agency policy on confidentiality. Outside parties shall be required to use information only for the purpose(s) stated in the approval action of the Board of Directors.
4. Known violations of agency confidentiality policy will be reported to the supervisor of the individual involved and appropriate disciplinary action shall be requested.
5. Members of the Board of Directors have access to client files only upon authorization by formal motion of the Board of Directors. The motion shall state who shall be authorized to review records, the specific purpose for such review and the period of time during which access shall be granted. Members shall be required to comply with the agency policies on confidentiality and may use the information only for purposes stated by the approved action of the Board of Directors. Known violations shall be reported to the Board President. A violation of the agency's confidentiality policy by a Board Member shall constitute adequate cause for removal from office.
6. Information shall only be provided to law enforcement officials or the courts pursuant to a valid and enforceable subpoena.
7. Information shall be provided to an agency's legal counsel, Board President, and the agency insurance carrier in the event of litigation or potential litigation involving the agency. Such information is considered privileged information, and its confidentiality is protected by law.
8. State law mandates that suspected child abuse be reported to the appropriate authorities (VA Dept. of Social Services-Child Protective Services Unit).
