So TODAY is the day!! You are ready to receive your guest having the venue decorated, food prepared, and books ready. Now follow these steps:

**STEP I:** Welcome Everyone to the Dream Releasers Party. Don't forget to state who you are and the purpose of the gathering.

**STEP II:** Ice-Breaker

This can be as simple as having each dream releaser state their name and what they expect to gain from the gathering.

**STEP III:** Define what's a Dream Releaser:

A person who has decided to release their thoughts from the confinement of their minds into the reality of time.

**STEP IV:** Explain the difference between a **MAJOR IT** and a **TOXIC IT** (*page 20*). Allow for discussion.

**STEP V:** Guide the attendees in ridding themselves of their identified Toxic It (*pg. 25*). Allow for discussion.

**STEP VI:** Guide the attendees in identifying their MAJOR IT (*pg. 29*).

**STEP VII:** Once everyone has identified their MAJOR IT, guide the attendees in completing their preliminary plan to release their dream(s) into the earth (*pg. 61*). Allow for presentation and discussion.

**STEP VIII:** Challenge the dream releasers to take A.C.T.I.O.N. (*pg. 90*).

**STEP IX:** Identify who will be accountability partners. It's important not to allow dream releasers to leave with their plan on paper without identifying who will hold them accountable toward taking action. Encourage accountability partners to exchange contact information.

**STEP X:** Wow! You have successfully hosted a Dream Releasers Party. Allow the attendees to have final comments before ending the session with this corporate declaration:

“I was born for something GREAT. I have GREATness inside of me. I must overcome internal and external barriers that seek to hold me back, stopping me from releasing my dreams.

I will not allow another day, hour, or moment to go by without making an enduring commitment to identify, nurture, and release my MAJOR IT! What’s inside of me is MAJOR and will have MAJOR impact in the earth.”

**“I’m ready (pause), yes I’m ready to LET IT OUT!”**
