

The Riverhurst Bean Festival is a Village of Riverhurst event which is made possible through the participation of the sponsors and exhibitors. The events will be located in and around the Riverhurst Community Arena in the Village of Riverhurst on **July 25, 2020**.

The festival promotes and educates festival goers about Saskatchewan grown pulse crops as well as related agricultural products and services.

The festival is a family event with something for everyone with focus on the family farm, recreation and leisure.

The 3rd Annual Riverhurst Bean Festival, July 25th, 2020, will again bring together buyers, suppliers, producers, culinary enthusiasts and those interested in agriculture. This is an opportunity to network with old and new customers and showcase your business to festival goers. Your participation makes the event possible and it provides you with an opportunity to promote your business. Your business will be advertised in festival promotional material and you will be provided with promotional signage at the event.

For more information please email [riverhurstbeanfestival@gmail.com](mailto:riverhurstbeanfestival@gmail.com)

*Your organization's support will spread knowledge within the Saskatchewan pulse industry, strengthen relationships among buyers and producers, and encourage appreciation for pulses within the food industry and among the general public for this healthy and sustainable food source. Your support may also support the Village of Riverhurst in other community projects.*

**Please register before June 15, 2020** and provide your logo to ensure your business is included in the promotional material. You will receive an email with event details prior to the event.
