

***The Riverhurst Bean Festival is a Village of Riverhurst event which promotes the pulse crop industry as well as the community of Riverhurst.***

The 3rd Annual Riverhurst Bean Festival, July 25, 2020, will again promote and bring together buyers, producers, culinary enthusiasts and those interested in agriculture. This is an opportunity to network with both old and potentially new customers and showcase your business to festival goers. Our focus this year is not only Pulses, but the family farm, recreation and leisure.

The Market Place allows Saskatchewan merchants to introduce and sell products to festival goers. The Market Place, along with the trade show, will be held inside the Riverhurst Community Arena. There will be children's activities as well as outdoor beer gardens featuring live music.

This is your invitation to participate in the event. The Marketplace will be open from 11:00 a.m. to 4:00 p.m.

We would like to reserve space for you for \$20.00. Bring along your display table and your products and join us for the day. Please note we are not able to provide power hook up and be aware of the packed sand floor inside the arena.

If you are unable to attend but wish to promote your business at the event, we can display your signage and business cards for \$10.

Please submit the registration and payment to the Village office in Riverhurst by mail or by email.
