

Valley United Fund

Post Office Box 205
West Point, Georgia 31833

valleyunitedfund.com

November 17, 2018

We are happy to announce that the Valley United Fund's 40th Fundraising Campaign is underway. We are excited about the Campaign and invite you to participate. One donation supports ten different organizations. It is rare that you can support those without food, victims of domestic violence and child abuse, afterschool programs for children, and more with a single donation, but the Valley United donation gives you that opportunity.

All agencies supported by the Valley United Fund are local and deserve the support of every citizen. What a tribute it is to the generosity of the citizens of West Point, Valley, and Lanett to donate toward their efforts. The Valley United Fund qualifies as a non-profit organization, so all contributions are deductible from your income tax. A record of your gift will be given to you. You can mail a check using the address below:

United Fund
P.O. Box 205
West Point, GA 31833

You also can make your donation online at valleyunitedfund.com.

Thank you for your support,

The Valley United Fund
