

BABY'S BOUNTY™

MONTGOMERY COUNTY, MD

OUR MISSION

Baby's Bounty MC is a charity that **provides safety, health, and wellness essentials to at-risk infants** up to six months of age who are born into poverty, homelessness, abuse, neglect, and other disadvantaged situations.

We work with social workers and caseworkers from over 40 social service agencies in the area to serve these babies, while ensuring they have a larger safety net around them.

We focus on providing items to help in three crucial areas, as well as offering personal touches like hand-knit blankets and storybooks. Our three areas of focus are:

Safe Sleep. Safe Travel. Health & Hygiene.
