

## AC200 Three-Function Electrical Bed

The AC200 bed provides caregivers the control they need in the recovery environment. The simplistic design and

### Key Features:

- Removable head and foot boards
- Instant CPR release lever
- 550 lb (250 kg) weight capacity
- Adjustable bed height, backrest angle and knee angle
- Caregiver-controlled “flat surface” function
- LED bed light
- Battery back-up
- Linak DC actuators
- Patient controls on inner siderails
- Fowler angle indicator

distinctive features bring efficiency to today’s medical and surgical environment.

The Amico Care AC200 bed features an open architecture for surfaces and removable head and foot boards which provides caregivers easy access in the event of an emergency. The head and foot boards feature an exclusive blend of polypropylene for cleanup and durability.

The functions of the bed are electronically controlled and equipped with a back-up battery that allows caregivers to make adjustments to the bed during transport and unexpected power outages.

## Model Number

Model Number	AC-200
--------------	--------

## Overall Dimensions

Overall Length	88" (224 cm)
Overall Width	42" (107 cm)
Patient Surface	35" x 77" (89 x 196 cm)
Height Range (to the surface of the litter)	
High	29" (74 cm)
Low	18" (46 cm)

## Litter Positioning

Backrest	0° - 65°
Knee Gatch	0° - 30°

## Weight Capacity & Caster Diameter

Weight Capacity	550 lbs (250 kg)
Caster Diameter	5" (13 cm)

## Electrical

Battery back-up (ma. number of high-low cycles)	25 12 VDC
Voltage	110 V @ 60 Hz or 220 V @ 50 Hz

## Optional Features & Accessories:
