Stryker Refurbished Birthing Bed & New Mattress  
Order# 132284 \$3445.00

The birthing bed features incredible mobility, simple operation, and an ergonomic design which provides both support and safety for caregivers. At the touch of a button, this bed can be placed in a Trendelenburg position, raised, or lowered to achieve maximum positioning.

Infinite leg positioning is achieved with the length adjustable footrests, and the patented Skoocher feature moves patient

closer to the edge of the bed with one push of a button. The foot section is easy to remove, it glides off with ease for quick and easy breakdown and a visual indicator will allow you to ensure it is locked.

### **Stryker Birthing Bed Features:**

- Lock-Rite slide-off foot section.
- Lightweight, self-standing foot section.
- Glide-away foot supports with six-way adjustability.
- Single-button Trendelenburg.
- Three-position side rails.
- In-rail motion controls with lockout.
- 17.5" low bed height. Locking caster steering.
- Four-wheel steel-ring brake system with centrally-located activation pedal.
- 33" mattress width with 4 motor functions (head, bed, foot, Trend).
- Automatic pelvic tilt. CPR Release. Manual Backup.
- Self-storing hand grips. Plastic fluid basin.
- Under-bed night light.
- Permanent folding three-stage IV pole.
