Alterra Deluxe Hi-Low LTC Bed

Alterra Deluxe Long Term Care Bed Package #217145

\$1895.00

Bed Package Includes: Bed, Assist Rails, Head/Footboards and Mattress

Top-of-the-line parallel electronics system provides exceptionally smooth and quiet operation

Synchronized high-low motors ensure the bed deck remains level even after frequent motion and long-term use

Durable construction with a 500-lb. weight capacity and

unique grid/rib deck that prevents the structure from sagging

Folding foot lock swings away when not in use to reduce

tripping

The bed meets the FDA's guidelines to help reduce the risk of entrapment

Multiple positioning options are made possible by the bed's motors, which control the height, knee hinge and reclining head deck

Bed offers a full range of heights from 29.88 to 7.75" (76 x 20 cm)

Bed deck dimensions: 34.5W x 80"L (88 x 203 cm); accommodates a 36" wide mattress

No horizontal movement when raising and lowering saves your walls from being damaged

INCLUDED:

Battery Backup

Hi-Low Capability

Wall Guard

Weight Capacity 500lbs
