## Bariatric Full Electric Bed

Bariatric Full Electric Bed #217151 \$1588.00

Bed Package Includes: Bed, Assist Rails, Head/Footboards and Mattress

Comfortably accommodates larger patients with a 600 lb. (272 kg) weight capacity and an extra-wide 42" (107 cm) x 80" (203 cm) deck.

Patient safety is ensured by an all-steel frame and heavy-duty pan deck.

Ideal positioning and comfort are offered by a hand control that can maneuver the bed into multiple positions.

2-Year warranty on electrical / mechanical components; lifetime warranty on bed frame / welds.

Easy assembly with minimal tools required for set up.

Height range: 18" to 26.5" (46 cm to 67 cm)

Overall length: 88" (224 cm long)

2 Locking and 2 non-locking casters
