Spring 2016 | Newsletter

Caring Hands

Welcome to *CARING HANDS*, our newsletter. The purpose of the spring newsletter is to share important school events, activities, and resources to support the Center and your child. This edition newsletter includes an events calendar, staff spotlight, center updates, and curriculum strands. We want to communicate the wonderful opportunities of learning at the Shiloh Child Development Center (CDC).

Welcome to Spring

Welcome to Spring! We have finally turned the corner and welcome warmer weather and a chance to enjoy the outside. Spring brings many seasonal changes recognized on the outside--the appearance of flowers, the budding of trees, and the time to enjoy outdoor activities. We are inaugurating a homework corner in the newsletter. This corner will provide activities you can do at home with your child to enrich their acquisition of new knowledge. Try some of the activities. You will be surprised how much your child has learned. Enjoy the new season and the many wonders of nature! The children celebrated the coming of spring with songs, poems and a fashion show on Friday, April 1, 2016.
