2017 Annual Meeting Summary

Committee reports were given and election of the 2017 Board of directors was held.
Membership Report: 230 Active members. Membership needs to be around 300 for stability.
Financial Report: Efforts to economize and member volunteerism helped us meet our 2017 operating costs. But with continued low membership we were not able to set aside funds for future needs as intended in the Bylaws. Future required major funding projects include white coating the pool and rebuilding the wading pool area.
Reduced guard hours and front desk volunteers will get us through 2018 season.
The adult social was well received. Still need a social activities coordinator/facilitator.
*A full financial statement is available to members upon request.

We Need 50 New Members!

Invite neighbors/friends to join you at the pool – they can visit free on a One-Day Courtesy Pass.

New Members can join for \$425
includes initiation fee, charter fee
and 2018 maintenance fee.

- * Current members who have recruited a new member will receive either a 50 times guest pass or \$100 of their next season’s maintenance fee.
- * Send a completed registration form payment (check or web store) to the PO Box.
- * For questions, contact Greg Karpman:
